

PROTECT MARRIAGE!

Kansans will have the opportunity on **April 5** to clearly define traditional marriage in our State Constitution.

Why is this needed?

- ◆Kansas' Constitution is vulnerable. As we've seen in Massachusetts, if the will of the people isn't clearly expressed in the Constitution, activist judges can 'misinterpret' the Constitution to advance their own liberal agenda.
- ◆While Kansas has a law on the books defining marriage, laws can be thrown out and ruled 'unconstitutional' by a judicial system gone awry.
- ◆Even if Congress passes the Federal Marriage Amendment, it will take years to ratify. We must protect our state NOW!
- ◆The Amendment also reserves all of the rights and privileges of marriage to one man and one woman.

VOTE 'YES' April 5!

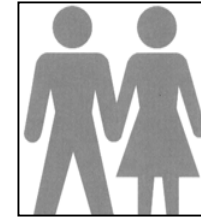

Advance voting begins March 16.

Request an **Absentee Ballot** if you are going to be out of town.

Go to www.kssos.org for forms.

Don't miss this chance to protect the sanctity of marriage!
